No fee is believed to be required in connection with the filing of this Information  
Disclosure Statement because it is being submitted before the mailing of a first Office Action on  
the merits of the above-captioned application.

Applicants believe that their APPARATUS FOR MONITORING HEALTH,  
WELLNESS AND FITNESS as described and claimed in the present application is neither

taught nor suggested by this prior art. Accordingly, applicants' invention is believed to be patentable over these prior art references.

Respectfully submitted,

METZ LEWIS, LLC
